it's the most real classic!
to let the old thing go.
i know is something in the past,
but now that you ain't here nothing is the same,
to see a picture of you, i wanna run back to you!

chorus: (x2)
all that i have is faded memories,
every kiss, every touch, is all a blur to me!
how do i clear my mind,
love is got me blind,
so faded, faded, faded memories!

i won't think it. but i need to let it go!
it's time that i'm alone,
i gotta get gone!
everybody is but .. care like i care!
wow, wow!

chorus: (x2)
all that i have is faded memories,
every kiss, every touch, is all a blur to me!
how do i clear my mind,
love is got me blind,
so faded, faded, faded memories!

baby, baby,
you know
i can't sleep, baby
when i think back.
what should i do, baby
all my life,
cause i'm needing you, baby!
all i ever wanted
i can't eat, baby!
what you..
i can't sleep, baby!
what you're going?
what should i do, baby?
cause i'm needing you, baby!

chorus: (x4)
all that i have is faded memories,
every kiss, every touch, is all a blur to me!
how do i clear my mind,
love is got me blind,
so faded, faded, faded memories!
