[Amil](Beyonce')

Uh, uh-huh

Amil-lion, yeah Roc-a-fella

(Oh, oh yeah)

What? Huh, uh-huh

(Oh)

Yea-yeah, yeah, I got that

Uh-huh, yo, yo

I make cats pay like lay-way

Own like they stole

Deal with late pay and I got that from Hawk

Plus I got my own bread

You ain't gotta wave them over my head

I got that

(I got that)

And you can't leave me stranded

Cause I got a ride back

And besides that

What chick you know cock glocks back?

Eight in the back, they rockin' hot jacks

In high heels, mini skirts and thighs fat

My styles like the international

Pancake house or whatever avenue

I got that, uh I got that

1 - [Beyonce']

Think I need you cause the rent is due

You can be outta here baby

Cause I got it

I got it, I got it

Cause cash, coupes, credit cards

All the exotic things baby

I got it

I got it, I got it

[Amil]

Ever since cats found out I ran with the Roc

They wanna take a closer look, wanna examine the box

Magazine want cameras to pop

They catch me in the nude like a Samantha Fox

Listen dude but I got dollars and cents
You don't gotta promise me to pay my rent
I got that
(I got that)
Catch me a drop black playing Speedy Gonzalez
Toes never unpolished
The way I be dressing dudes wanna toss the salad
The way I be dressing got broads acting childish
But I pay my own bills
Amil-lion always has and always will
Y'all got that?

Repeat 1

[Beyonce']
I got that
The house that you live in
I got that
The bed that you sleep in
I got that
The Benz that you're driving
I got that, I got that
I got that
The ice that you're wearing
I got that
So why you complaining
I got that
Who you gaming?
I got that, I got that
I got that

[Amil]
Yo my life's still on
Gas bill caught up
Indian Amil, call me chief running water
Cable still in order
Phone still dials out
Money still long but my patience got shorter
You can leave baby give me everything I bought you
Like you leaving me was some type of torture
I don't need no man to
Do for Amil what Amil can do
You got that?

Repeat 1 (2x)

[Amil]
That's right baby
Amil-lion, uh
I got this what?
