These day guys only have one thing on their mind
The boys have lost all the pride
Well boys let me tell you the key to a lady's heart
Respect is the key to a young lady's heart

Boys without respect you will never get anything
If you want that one thing you're wasting your time
You will never get anything that way because that is not
respect
Without respect you will get nowhere boys because,
Respect is the key to a young lady's heart

Boys let me tell you something
Girls hate players and you will never get anyone that
way
You better show the little ladies respect because,
Respect is the key to a young ladies heart

Never hit a lady, it not right
Never beg a lady to do something she doesn't want to
do
Never make a lady feel worthless because son that
ain't respect
Without showing a lady respect you will get nowhere
because,
Respect is the key to a young ladies heart

Do you have someone you want to be with a lot,
But you don't know how to get her the right way
Well boys listen close,
These days ladies want attention, love, and support
But most of all they want respect because,
Respect is the key to a young ladies heart

Yeah boys take my advice,
Respect is the key to a young ladies heart

Show her respect and she will love you forever,
She wants love, attention, and support.
Most of all though ladies want respect because,
Respect is the key to a young ladies heart

Ladies love men who show them the respect they
deserve
Ladies rebel against the men who destroy their hopes
and dreams
Ladies are very sensitive boys, believe me
Ladies want respect more than anything in this world
Ladies love men that have respect for them because,
Respect is the key to a young ladies heart

Yeah boys
Respect is the key
Respect is the key

Yeah boys
Respect is the key to a young ladies heart
