2x

I loved you from a long time ago  
i gaved you all the security(or i made you secure)  
And i fear for you a lot  
That time changes you  
I didn't love before you  
Afther you there's no way i love again  
Oh my life how i've wished  
That you will stay by my side always 2x  
Oh my love think of me  
I'am thinking of you and you're love  
You're my soul and my eye  
Let me be with you  
In you're lap warm me  
My heart dreams of you  
Oh my love and my life  
I'll never forget you Oh dont leave me  
Oh you're the love of my soul  
Don't leave me  
Oh you're the love of my hearts  
Oh dont leave me  
Oh you're the love of my soul  
Don't leave me  
Oh you're the love of my hearts I wait all the time  
And i stay awake all the hours  
When you come back my life  
Life's the way it used to be  
Your closenes my love is fire  
And when you're away its craziness  
Whatever happens  
You'll be to no one else but me 2x  
Oh my love think of me  
I'am thinking of you and you're love  
You're my soul and my eye  
Let me be with you  
In you're lap warm me  
My heart dreams of you  
Oh my love and my life  
I'll never forget you Oh dont leave me  
Oh you're the love of my soul  
Don't leave me

Oh you're the love of my hearts  
Oh dont leave me  
Oh you're the love of my soul  
Don't leave me  
Oh you're the love of my hearts Oh my love think of me  
I'am thinking of you and you're love  
You're my soul and my eye  
Let me be with you
