Faker feih - Think of Me Habaytak me zaman
I have loved you for a long time
we 3etetak el hanan
and I comforted you (hanan is more like compassion,
what she's basically
saying is that she took care of him. Hanan is usually
associated with
females, who are expected to soothe and comfort)
ghaier feek el zaman
but time has changed you
ana ablak ma habayt
I have not known love before you
