Tell me how you're spending your time
Make me feel better a little
I should know if you're still thinking
Of me my love

Do you think of me?
Tell me you love me
Do you think of me?
Tell me you love me

I heard thinks about you
And can't believe whats going up with you
I feel angry for myself and then satisfied
I can't avoid you a moment
I know this is a state and i will pass
And i must stay around you
And handle all you're craziness
But you make it just easy for me

Do you think of me?
Tell me you love me
Do you think of me?
Tell me you love me

Tell me how you're spending your time
Make me feel better a little
I should know if you're still thinking
Of me my love

Do you think of me?
Tell me you love me
Do you think of me?
Tell me you love me
