You are the reason
That makes this all worthwhile
You see it in my face
All I do is smile

Love's such a small word
For someone so dear
All that I know
Is that when you're here

I'm the king of new york
King of new york
King of new york
I'm the king of new york
King of new york
King of new york
I'm the king of new york
King of new york
King of new york

Excuse me Mr. Lennon
If I take a page out in the Times
So the world knows I found
The love of my life

Oh well scream from the rooftops
Soar through the sky
Love and we'll laugh
and we'll never die
I'll swim in your eyes
While the world passes by
Always be yours and
You'll always be mine
All that I know at this moment in time

I'm the king of new york
King of new york
King of new york
Ooo yes I am
I'm the king of new york
King of new york

King of new york

Oh you turned this child into a man
Just with one touch of your hand
Now I am sure that I am

Ain't love such a small word
For someone so dear
All that I know is that when you're here
I am the king of new york.
