I dream, dream of what could have been  
If I had only seen  
What was wrong with my life

Sometimes, sometimes when nothing's right  
I fly to the bitter side  
And it drives me out of my mind

No matter how far  
Well there's one thing that I know  
It's out there for sure  
And I'll find what I'm looking for

As sweet as the rain, as cold as the highway  
We're gonna ride that wave back home  
As sweet as the rain, as cold as the highway  
We're gonna ride that wave back  
Ride that wave back, wave back home

I cry, for now I stand alone  
For I am the only one  
In the dark waiting to see...

No matter how far

Well there's one thing that I know  
It's out there for sure  
And I'll find what I'm looking for

As sweet as the rain, as cold as the highway  
We're gonna ride that wave back home  
As sweet as the rain, as cold as the highway  
We're gonna ride that wave back home  
Ride that wave back home

As sweet as the rain, as cold as the highway  
We're gonna ride that wave back home  
As sweet as the rain, as cold as the highway  
We're gonna ride that wave back home  
As sweet as the rain, as cold as the highway  
We're gonna ride that wave back home

As sweet as the rain, as cold as the highway  
We're gonna ride that wave back home...
