Christmas like a lullaby steals across the land A breeze
upon the waters, rain fall on the sand We celebrate a
baby born from spirit into man And Christmas like a
lullaby steals across the land It's morning in Australia;
In fact, it's Christmas day And Colorado never seemed
so very far away Back where night has fallen and it's
still Christmas Eve And snow is in the mountains that I
always hate to leave Christmas bells are ringing there's
presents 'neath the tree I know that it's been said
before and now I know it's true That home is where the
heart is and Christmas lives there too And on this
morning Peace on Earth is still your fervent prayer And
I can feel it being whispered softly everywhere And
guns are called to silence and anger called to still And
brotherhood and sisterhood surrounded by goodwill
Christmas like a lullaby steals across the land A breeze
upon the waters, rain fall on the sand We celebrate a
baby aborn from spirit into man And Christmas like a
lullaby steals across the land
