I'll walk in the rain by your side,  
I'll cling to the warmth your hand,  
I'll do anything to help you understand  
I love you more than anybody can.

And the wind will whisper your name to me  
little birds will sing along in time,  
leaves will bow down when you walk by  
and morning bells will chime

I'll be there when you're feelin' down  
to kiss away the tears if you cry,  
I'll share with you all the happiness I've found  
a reflection of the love in your eyes.

And I'll sing you the songs of the rainbow,  
the whisper of the joy that is mine  
leaves will bow down when you by  
and morning bells will chime

I'll walk in the rain by your side,  
I'll cling to the warmth your tiny hand,  
I'll do anything to help you satisfied  
I love you more than anybody can.

And the wind will whisper your name to me  
little birds will sing along in time,  
leaves will bow down when you walk by  
and morning bells will chime
