The road to hell is paved  
with good intentions  
Dreams can only sustain for so long  
turning away with apprehension  
life passes you by  
Trip over another lost cause  
Life goes on.....  
Open your eyes, Break the Cycle  
Open your eyes, Alone in the crowd (of unscrupulous  
minds)  
Open your eyes, Break the Cycle  
Open your eyes, Open your mind  
Hours turn into days of endless struggle  
on the road to nowhere  
What was once clear, now a distant shadow  
why effort is not enough  
to stop the tide from washing you away  
Lifes goes on....  
The acrid smell of deciet  
the fuel that transforms notions into sound  
Absorbed and fused, minds cofused  
into catalytic tone...  
Condemns and decries the mistakes  
and the lies, and the pain  
[solo: Seghers]  
[solo: Frydrychowicz]  
[solo: Seghers]  
The road to hell is paved with good intentions,  
dreams can only sustain for so long  
Open your eyes,  
and break away from your restraints  
Let the blind guide your path no more  
Open your eyes, Break the Cycle  
Open your eyes, Alone in the crowd (of unscrupulous  
minds)  
Open your eyes, Break the Cycle  
Open your eyes, Open your mind  
Hours turn into days of endless struggle  
on the road to nowhere  
What was once clear, now a distant shadow  
why effort is not enough

to stop the tide from washing you away  
Life goes on  
to the road to hell  
to rest, after life in pain
