Wince  
So self broken  
A formulation  
From what's been  
Spoken but you just go  
Traverse to silence  
Left brow curls  
Saves your face  
You just go with blinders on your perception  
I'm a cushion  
I'm your cushion

You just go  
Traverse to silence  
Left brow curls  
Saves your face  
You just go with my grand displeasure  
I'm your cushion

I can't blister  
I can't blister  
I'm a callous

It's falling apart  
It's falling apart  
Sew  
You better sew  
Sew  
Sew

Wince  
So self broken  
A formulation  
From what's been  
But you just go  
Traverse to silence  
Left brow curls  
Saves your face  
You just go with blinders on your perception  
I'm your cushion  
I'm your cushion
