Hey baby tell me what's the matter now  
Hey baby tell me what's the matter now  
Lord you tryin' to quite me baby and you don't know  
how

I ain't got no good girl and I ain't got no lady friend  
I ain't got no good girl and I ain't got no lady friend  
I ain't go nobody to say Furry where you been

If you don't want me, won't you tell me so  
If you don't want me, baby, why don't you tell me so  
Then you won't be bothered with me round your house  
no mo'

Hey-ey baby you don't treat me right  
Hey-ey baby you don't treat me right  
For the way you treat me, take my appetite

I'd rather see my coffin come rollin' from my door  
I'd rather see my coffin come rollin' from my door  
Lord to hear my good girl tell, I don't want you no mo'

Woh-oh baby what you gon' do with me?  
Baby, what you gon' do with me?  
Way you doin' me baby, I 'clare I sure can't be
