RoRo:

Iesha, Iesha so glad to meetcha
See you in the schoolyard strollin' wit your techa
The lil skirt you played was realy fly
She turned around and she winked her eye so I
Stepped to her like I knew her the Biv is cool but Romell
is cooler
The bell rang cuz I started to talk yet the class is not
there no more

(Yo Red, where'd you meet her?)

Red:

At the playground, ya know
That's where I saw this cutie
This girl was swingin' and she looked so fly
On the monkey bars, we climbed up to the top and
She touched my hand that's when I fell in love

Chris:

2 - Iesha..
You are the girl that I neva had
And I want to get to know you bettah
Iesha..
You know I want you so bad
And there's nothing anyone can do
To keep me away from you

Mike Bivins:

Yo Dallas man these five young boys out of Atlanta GA
are a real adventure
They kinda like remind me of me and my boys New
Edition, know what I'm sayin
So all you people out there ridin' in your cars listenin to
the radio station
Or coolin' back in the living room watchin this here
video, ay yo peep the 2nd verse

We played Nintendo
This was her very first date
I didn't wanna make it seem to fly

We ate cereal
She couldn't stay out at late
Her mother told her to be home at nine

Yo Ro u might sound to sure so wutchu gonna do?
I dunno Da, I only got one more rap and I'm gonna see
what happens

Threw down my books went up to the door
Pressed the bell what was in store?
lesha came out with a smile (oh no)
She aint worth the while
So I passed her a lolli pop and a letter
Told her so let's keep this a secret
No remember lesha, only u can keep this, peace
