[Performed by Barbra Streisand]

Feeling love is feeling good,
I believe in love.
Feeling love is feeling good I believe in love. etc...
Feeling love...that's all,
That's enough for me, Yet I see...I see...
Faces...covered-up and empty-eyed,
Empty spaces...where there used to be a soul inside.
Nothing and no one ever gets to you,
Seems the wind could blow right through you,
Believing in Gods that never knew you.
I believe in love, I believe in love, I believe in feeling
good
And that's feeling love
Now, worry...climbing up your money tree,
You got to hurry...monkey do what monkey see.
You're on a one-way street and you're speeding,
Missing the signs you ought be reading,
Passing things you'll later be needing
I believe in love...
I believe it-nobody sold me
Always knew it-nobody told me
I believe in someone to hold me
I believe in love, I believe in love. I do
I believe in feeling good and that's feeling love
(Feeling love is feeling good etc...)
Feeling love...That 's all, that's enough for me, I won't
be....
Don't want to be lonely...sleeping in on empty bed,
Shouldn't be only a place to rest my head
I don't want to find myself one day
Waking up and looking at Monday
With some "What's-His Name" left from Sunday,
I believe in love, I believe it--nobody sold me
Always knew it-nobody told me
I believe in someone to hold me, I believe in love
I believe in love, I believe in feeling good
Ev'rybody should, believe in feeling good
Believin'...Believin' love!
