If you feel like I let you down  
Then I'm sorry  
If you feel like I let you down  
Then I'm sorry  
I wrote this beat, four years ago  
And at that time I didn't know  
What I was doing, what was going on  
Just want to make a difference to someone  
Didn't matter, how hard I tried  
I build it up  
But then it dies  
Who am kidding  
I was the murderer  
I took the knife  
I took my life  
But then I guess that's what I had to do  
To get to a place where I could talk to you

So if you feel like I let you down  
Then I'm sorry  
So if you feel like I let you down  
Then I'm sorry  
How much of this is in my head  
Or in the things I thought you said  
I must be crazy, but I don't mind  
I get along, better with my kind  
There's nothing worse than normality  
I'm running from what's in front of me  
But please don't think that I mean you harm  
I just wanna make a difference to someone

If you feel like I let you down  
Then I'm sorry  
If you feel like I let you down  
Then I'm sorry  
If you don't want me around  
Then I'm sorry  
If you feel like I let you down  
Then I'm sorry  
If you feel like I let you down  
And you don't want me around

If you feel like you let me down  
And you don't want me around  
Then I could understand that  
Because it's hard to face facts  
If you feel like you let me down  
Then I'm sorry
