[Violent J] Gangsta?

[Anybody Killa]

Now if you got yo hat tilted to tha side  
And you always down to jack a bitch for her ride  
Or the colors that you rep make others upset  
Then you might be.. GANG RELATED! (Aint nothin'  
wrong)

[Verse 1: Anybody Killa]

Never once been seen alone  
ever since you can remember you was fully grown  
Slangin' rocks on tha block with a knot in ya sock  
then you might be..  
GANG RELATED! Murder rap  
notches all in your belt  
robbery and sellin'  
trees the only jobs that you held  
been to more damn funerals than the reverend himself  
then you might be..  
GANG RELATED! In and out tha penitentiary  
with no thought of graduation or a fuckin' degree  
still clockin' "G"s from what you learned on tha streets  
then you might be..  
GANG RELATED! (Aint nothin' wrong)

[Chorus: repeat 2X]

You might be.. (What!? what!?)  
You might be gang related!

[Verse 2: Violent J]

Do you wear a hatchetman?  
You in a gang and yo ass better be ready to do that  
thang  
You rep tha JRB and you will never switch  
(JRB?) Juggalo Rydas Bitch!  
Did you beat your girlfriends who dissed your boys  
Did your crew's name originate in Illinois?  
Do you cross your enemies out with a "K"  
Then you gang related to muthafucka like Violent J

[Anybody Killa]

I'm always asked if I'm gang related  
by police and the public and I'm startin' to hate it  
If I wasn't already that would sure make me think  
About the problems that I have and what I'd do to be  
free  
Besides gang related's such a harsh word  
for them to call a bunch of homies takin' over tha world  
Willin' to die for everything that we built  
the battleground we call turf where haters come to be  
killed

(Chorus 4X)

[Violent J]

Do you participate in gang related activities?  
03's, 211's, 187's?  
If you do that's okay, fuck we all do  
I'm only tryin' to say you gang related too bitch!  
Take Anybody Killa  
I know him but I wouldn't trust him as far as I can throw  
him  
He's fuckin' crazy as hell  
you wouldn't know  
Right now he's chewin' holes in the floor here at the  
studio  
I don't even want to do this  
But he asked me to and I'm scared of his pistol-whips  
We're all sick in the hatchet's hatchery  
but I just happen to be the master bitch-slappery  
The bottom line, I won't say it again until you play it  
again  
If you're gang related hope you're my friend  
'Cause if I see you wearin' some shit I don't like  
I'm shuttin' your cranium down with a lead pipe

(Chorus 4X)

[Shaggy 2 Dope]

Ah ha  
ha ha  
ha ha ha! You know what man? You just might be!  
In spite of your own knowledge of 'em  
A gangsta, gangobodacious, smacksimus  
Maximum boogie woogie ryda AKA gang related  
You dilapidated muthafucko!

(Chorus continuously)

You might be...

You might be gang related! (Aint nothin' wrong)

[Violent J]

You fuckin' gangbangulator!
