Tak trudno pozbyc sie
Checi posiadania
Nie miec nic i byc
Nie miec nic i byc

To co naprawde ma wartosc
Dawno juz niewazne jest
Lepiej miec niz byc
Lepiej miec niz byc

W grobie nie dostanie nikt
Nic za pieniadze
Wszystko to co mamy
Zabiera smierc

Wiem pieniadze szczescia nie daja
Zwlaszcza tym ktorzy je maja

[English translation:]

[...Or Not To Be]

It's too hard to get rid
Of possess temptation
To have nothing and to be
To have nothing and live

This what is really worth
This is not worth for a long time
Better is to have than to be
Better is to have than to be
Anybody will get nothing in the grave
For the money
Everything, what we have
Is taken by the Death

I know money doesn't make you happy
Especially when you have a lot of them
