Poznajemy czarne plamy historii  
To co dotad bylo tajemnica  
Zamazane krwia strony ksiazek  
Mordy popelnione przez

NKWD

Wiecznie zadne afer gazety  
Odbieraja swiety spokoj zmarlym  
My od dawna juz wiemy  
O zbrodniach czerwonej gwardii

NKWD

Bestialsko  
Meczeni  
Tajemnie  
Zabici

Otwieracie zagojone rany  
Po co znowu wyciskacie lzy  
Matkom dzieci nie zwrocicie  
Nam nie trzeba martwych bochaterow

NKWD

[English translation:]

[KGB]

We know history black stains  
Have been in secret till now  
Book's pages effaced in blood  
Murders commit by  
KGB

Papers always needing sensations  
Depriving defuncts holy piece  
We know a long time since about  
Kommunist red guard crimes  
KGB

Beastly... tortured...  
In secret... we're killed

You're opening healed up sores  
We don't need lifeless heroes  
You'll never return mother's child  
Why Do you make us cry  
KGB
