Present:

I Feel The Fear Reveal Its Core  
A Darkened Past Caused An Inner War  
The Years Have Come And Gone I See  
The Inner Capsule Still Haunting Me

The Future Must Hold A Brighter End  
I Must Prevail, I Must Defend  
The Intervention Run From Within  
To Annihilate My Future Sins

The Stars Above Are Shining Down  
The Crying Voices, I Hear Their Sound  
I Feel A Journey Come To An End  
The Faces Revealed, I Made Amends

Like A Dark-World Warrior Who Sees The Light Of Day  
Fights Inner Demons To Control The Right Of Way

A New Journey Is To Begin  
..As The Ensemble Calls For Me  
Many Dreams To Be Fulfilled  
..As The Ensemble Calls For Me  
The Years To Come Will Bring New Life  
..As The Ensemble Calls For Me  
Their Purpose Lies Within The Stars  
..As The Ensemble Calls For Me

Element, The Element, The Element Surfacing  
A Challenge Of Mental Strength Overtakes The Mind

As I Seek For The Quantum Leap  
The Elements Plan Their Retreat  
I See A Pattern Begin To Form  
In The Dead Of Night, My Soul Reborn  
With Hopes That A Sense Of Purpose And Love  
Will Descend Upon Me From The Eyes Above

Like A Dark-World Warrior Who Sees The Light Of Day  
Fights Inner Demons To Control The Right Of Way

A New Journey Is To Begin  
..As The Ensemble Calls For Me  
Many Dreams To Be Fulffiled  
..As The Ensemble Calls For Me  
The Years To Come Will Bring New Life  
..As The Ensemble Calls For Me  
Their Purpose Lies Within The Stars  
..As The Ensemble Calls For Me

Past :

Wonder If I'll Be Among The Troops Who'd Risk Their  
Lives  
Defend The Sash Of Honor, Fight For Truth, Have Them  
Rise  
To Form A Coalition, Have The Enemy Turn To Dust  
Will Combat Solve The Conflict?  
Which Side Will I Grow To Trust?

Which Side Will I Grow To Trust?  
Which Side Will I Grow To Trust?

Present :

Like A Dark-World Worrior Who Sees The Light Of Day  
Fights Inner Demons To Control The Right Of Way  
Like A Warlord Spreading The Word ; Increase In Power  
With Eyes Wide Open, The Spirit Craves To Conquer

A New Journey Is To Begin  
..As The Ensemble Calls For Me  
Many Dreams To Be Fulffiled  
..As The Ensemble Calls For Me  
The Years To Come Will Bring New Life  
..As The Ensemble Calls For Me  
Their Purpose Lies Within The Stars  
..As The Ensemble Calls For Me

Element, The Element,  
The Element Vanishing  
Challenge Of Mental Strenght  
Overtakes The Mind
