I stand before you rich,
Man and doughnut
Yes, these times are hard
Do you fear the coffee sniffing motherf*ckers?
Take my mistakes
Marry them to yours
Yes, these times are tight
Will you share your helicopter landing pad with
Sweden?
In times of stress
Please remember this
No one loves a prick, no one loves a coffee sniffing
motherf*cker

Think of us as ready made Jesus loves a renegade

I stand before you rich,
Man and doughnut
Yes, these times are hard
Do you fear the coffee sniffing motherf*ckers?
Take my mistakes
Marry them to yours
Yes, these times are tight
Will you share your helicopter landing pad with
Sweden?
(Yes of course they still speak English)

Think of us as ready made Jesus loves a renegade

Height times intake

Dry hate there's no mistake
You won't die alone in the desert state
It's a shame that you came and the lights were out
You could always be foreign elsewhere

Dry hate there's no escape
You won't die alone in the desert state
It's a shame that you came and the lights were out
You could always be foreign elsewhere
