Racing high living the '80s dream,
Someone's calling and I think it might be for me,
Stars can be blinding,
An illusion I can see,
Wanting a picture with your autograph, please,
Color kids are lining down the block,
Spectrum-of-the-light shine that makes them want
more,
Shimmering rays on the stage night glow,
Leaves them wanting more,
Leaves them wanting more,
Leaves them wanting more,

I just want you to know,
Girl, I just want you to know,
Well, I just want you to know,
If I'm driving you crazy,

(Chorus) (x3)
Starworshipper calling out a name,
Waiting 'round the backstage door trying to get in,
Been looking at your poster on my wall,
And I'm wanting more,
Yeah, I'm wanting more,

Keys in the ignition and I'm driving hard,
I'm a 1980s superstar,
Divo man, let me whip it good,
Repo Man, let me lift that hood,
DeLorean, no boring them
Sleep with the linen, they snore in them,
Deal with news and leave you lonely,
Yeah this jacket is Members Only,
Flying nights,
Let's drive into the night sky,
Stars is bright,
Ain't never met a girl this awesome, baby,
Damn how much is this costing, lady,
Don't matter Microchip,
Sipping on that,
Take your micro sips,

If I got it,
it's your wish,
But baby you got to know this,

Pick me up and look right at me,
And set this song so I can look at you baby,
You whisper in my ear and kiss me on my cheek,
I can't believe this is happening to me,
Day and night I'd sing your song,
Singing about how we would get along,
Lost in a moment,
Lost in a dream,
I can't believe this is happening to me,

(Chorus) (x2)

Starworshipper calling out a name,
Waiting 'round the backstage door trying to get in,
Been looking at your poster on my wall,
And I'm wanting more,
Yeah, I'm wanting more,

Starworshipper,
Starworshipper,

Yeah, I just want you to know,
Girl, I just want you to know,
Well, I just want you to know,
If I'm driving you crazy,

Well, I just want you to know,
Yeah, I just want you to know,
Girl, I just want you to know,
I know I'm driving you crazy.
