When the road gets dark And you can no longer see
Just let my love throw a spark And have a little faith in
me And when the tears you cry Are all you can believe
Just give these loving arms a try And have a little faith
in me And CHORUS: Have a little faith in me Have a
little faith in me Have a little faith in me Have a little
faith in me When your secret heart Cannot speak so
easily Come here darlin' From a whisper start To have a
little faith in me And when your back's against the wall
Just turn around and you will see I will catch, I will catch
your fall baby Just have a little faith in me REPEAT
CHORUS SUNG OVER FADE: Well, I've been loving you
for such a long time girl Expecting nothing in return
Just for you to have a little faith in me You see time,
time is our friend 'Cause for us there is no end And all
you gotta do is have a little faith in me I said I will hold
you up, I will hold you up Your love gives me strength
enough So have a little faith in me
