Ugh, ugh, ugh

[AP.9]

Chorus: x2

M-O-B F-I-G-A-Z

A-P N-I-N-E

Don't play me

I'm deadly in this G-A-M-E

My lead be aimin' at yo D-O-M-E

Behead me

[AP.9]

It's like one too many niggas jumped in the game [OK]

It's like niggas in it for the muthafuckin' fame

Not me [uh, uh]

Not AP [naw]

Everything I get on

Niggas know I spit on

Been in this shit since '93

Rockin' a wife beat [ugh]

Niggas know I'm upstreet

Nothin' but concrete

And you can catch me

Sittin' in a Bentley Azur

Gettin' tucked by your whore

Niggas know what I have in store

Niggas started movin' this coke

And the coke kept on movin'

So he hit the boat

A few niggas got smoked

And a few choked

That's the way it goes

I'm livin' up under the "O"

They locked up Bo

And now I'm doin' it fuckin' solo

We fuckin' with them homos

No mo, no mo, no mo

Back to the block

Back to the glock

And if they keep talkin' shit

Then get back to your pops

I'm havin' it not  
Talk bread [talk bread]  
Cut it up and choke it  
And watch these suckas  
Addin' up they losses  
And I'm often  
Flossin' get a nigga on chill [I said often]  
The nigga O Fed  
I could kill a nigga at will  
Fo' real  
I'm tryin' to get a meal  
Put a game in steel  
Don't say what a nigga want  
Cuz you know what a nigga will

[Chorus] x2

[AP.9]  
So I parked the big body  
Hopped up like Gotti  
Nothin' but a gangsta party  
Lodi dodi  
Niggas facin' hotties  
All up in the party  
Like sippin' on Bacardi  
Suckin' on a lemon lime  
We at the bar  
Livin' the life of a star  
No matter who you are  
We takin' this shit by far  
Look at my car  
Look at me  
Look at my ice  
Look at yo wife man  
Take a look at yo life man  
It's like this ya'll  
Tear 'em like a spitball  
This is it ya'll  
Yo bitch wanna get the dick raw  
I told her hold on  
Hold up on the scrotum  
While I fuck her from her back  
This gun when it's hauled in  
A filthy fuckin' auto [auto]  
Stick 'em to a mud or what  
Always be a leader [leader]  
Can never be a follower  
The game goes up [game goes]  
And down like yoyo  
And I bang knows [bang knows]  
Straight to come and get that yayo

[Chorus] x4
