N-no, n-no, it can't be true
N-no, n-no, it isn't you
N-no, n-no, it's not the way you are
N-no, n-no, it isn't you
N-no, n-no, it can't be true
N-no, n-no, it's not the way you are

Bad dreams for me
Bad dreams by the sea

Dreaming you've got a lover
Dreaming I got another
Dreaming that there's a killer in your eyes
Dreaming that you're a user
Dreaming that I'm a loser
Dreaming that there's a killer in my eyes

Dreaming about a place of shades
Dreaming about the ace of spades
Dreaming that it's taking things too far
N-no, n-no, it can't be you
N-no, n-no, it isn't true
N-no, n-no, it's not the way you are
