VERESE ONE

I know you've heard that worn out line about love at
first sight,
I never knew those words were true, until you walked in
tonight,
It only took just one look to knock me off of my feet
I'm not a man of many words, so I'll make this short
and sweet.

CHORUS

Could ya, would ya, ain't ya gonna, if i ask ya would
you wanna be my baby tonight?
Yeah, take a chance, slow dance, make a little
romance, honey if will be alright!
Girl you got me wishing we were hugging and a kissing
and a holding each other tight,
so could ya, would ya, aint's ya gonna, if i ask ya,
would ya wanna be my baby tonight.

VERSE TWO

I'm not trying to come on like some rihnestone Romeo
I'm looking for, a whole lot more than a one night rodeo
What can I do to prove to you I'm laying it on the line?
I'll even get down on my knees just to bid you one more
time.

REPEAT CHOURS X 3

Yeah, could ya, would ya, ain't ya gonna, if i ask ya,
would ya wanna, be my baby tonight
