The forces of the universe  
And the elements of space  
Conjured up your being  
You're size, your time, you're shape  
You were created  
With all the beau-eauty they could call  
And earth, you surely are  
The measure of them all  
(Hal-le-lu-jah, hal-le-lu-jah)

You're rocks all turned to gold (Hal-le-lu-jah)  
And you're ti-iny stones to jewels  
And when you're swirlin' (Hal-le-lu-jah)  
It's that clear you stood so pure  
And placed so carefully (Hal-le-lu-jah)  
Each and everything that belonged  
Earth you were magnificent (Hal-le-lu-jah)  
Through the pain of bein' born  
(Hal-le-lu-jah, hal-le-lu-jah)

It was the morning of the ear-ear-ear-earth (Hal-le-lu-jah)  
It was the morning of the ear-ear-ear-earth (Hal-le-lu-jah)  
(Hal-le-lu-jah, hal-le-lu-jah)

It was the morning of the ear-ear-ear-earth  
From the tallest mountain  
To the smallest drop of rain  
Each and everything created  
Was of the new world

It was the morning of the ear-ear-ear-earth (Hal-le-lu-jah)  
It was the morning of the ear-ear-ear-earth (Hal-le-lu-jah)  
It was the morning of the ear-ear-ear-earth (Hal-le-lu-jah)  
It was the morning of the ear-ear-ear-earth (Hal-le-lu-jah)
