Yeah, yeah, yeah  
Yeah, yeah

Lonely all the world I see there's a ripple in your mind  
Far beyond the grass I grasp the first thing that I find  
Numbers march across the sky in a prisonary home  
Ghosts have turned their backs to me, I'm finally alone

Can you hear me?  
(Where do you stand)  
Are you there?  
(Try to take my hand)  
Do you fear me?  
(Have you forgotten how to love)  
My heart is undertaken, undertaken

Forests filled with life rejoice a momentary joy  
Single minded heavies hover playing with their toys  
Tiny insignificant apparitions made divine  
Toss aside their virtues turning water into wine

Can you hear me?  
(Where do you stand)  
Are you there?  
(Try to take my hand)  
Do you fear me?  
(Have you forgotten how to love)  
My heart is undertaken

Can you hear me?  
(Where do you run)  
Are you there?  
(Why must you live as one)  
Do you fear me?  
(Your soul cannot be gone)  
My heart is undertaken

The severing of a journey  
Embodied by a woven mystic seam  
While reality departs  
At the exception of a dream

Can you hear me?  
(Where do you stand)  
Are you there?  
(Try to take my hand)  
Do you fear me?  
(Have you forgotten how to love)  
My heart is undertaken

Can you hear me?  
(Where do you run)  
Are you there?  
(Why must you live as one)  
Do you fear me?  
(Your soul cannot be gone)  
My heart is under

Can you hear me?  
Are you there?  
Do you fear me?  
My heart is undertaken
