"Walking and THINKING"

from the air i see your loneliness
you carry on despite your fear
inside a box you keep your sanity
and it will never seem clear to me

over the hills the light it flows
it shows the angels laughing
where is the love that we're supposed to find
lost in a maze of games so very dark and
overwhelming
lost in these thoughts that seem to rule my mind

a simple spell cast is broken through
the force of life decisive and
you lay below the sacred stormy skys
and you were ripend for me

over the hills the light it flows
it shows the angels laughing
where is the love that we're supposed to find
lost in a maze of games so very dark and
overwhelming
lost in these thoughts that seem to rule my mind
yeah
oh

don't close and i will be denied
a dagger thrust into my chest
you claim yourself to the victory
but it is i who will rest in peace

over the hills the light it flows
it shows the angels laughing
where is the love that we're supposed to find
lost in a maze of games so very dark and
overwhelming
lost in these thoughts that seem to rule my mind

over the hills the light it flows
it shows the angels laughing
where is the love that we're supposed to find

lost in a maze of games so very dark and
overwhelming
lost in these thoughts that seem to rule my mind, my
mind
