So far from home  
Cross plains of time  
The moments of silent content  
And closeness are far and few  
Forever I'll Remember you

And I'll see you soon  
And I'll meet you there  
Did you think that I'd just go on  
Without you here?

Visions of safety and home  
Are fading from my eyes  
Washed by tears of longing  
The touch of your hand on my skin  
Remembering our last goodbyes  
I give myself up to the sky

And I'll see you soon  
(Oh, I'll see you soon)  
And I'll meet you there  
(And I'll meet you there, yeah)  
Did you think that I'd just go on  
(Just go on)  
Without you here?

And I'll see you soon  
(And I'll see you soon)  
And I'll meet you there, yeah  
Did you think that I'd just go on  
Without you here?
