See the children on the park
See the chess of that old Guy
And the popcorn man
Selling his stuffs there

See the beautiful Day outside
Said my asking me to get up
But because of last night's bad wine
It makes me nousious Just to try
Makes me nousious Just to try

And all os this happiness is making me
Feel sick, cause all I want today
Is to enjoy my bed, and fix my bad headache
And all of this happiness is making me
Feel sick, cause all I want today
Is to enjoy my bed, and fix my bad headache

And I can't stand any loud noise
And my dad with the vacum cleaner
And my sisters watching gossip girl
All that drama is too much

And all os this happiness is making me
Feel sick, cause all I want today
Is to enjoy my bed, and fix my bad headache
And all of this happiness is making me
Feel sick, cause all I want today
Is to enjoy my bed, and fix my bad headache

Solo

And all os this happiness is making me
Feel sick, cause all I want today
Is to enjoy my bed, and fix my bad headache
And all of this happiness is making me
Feel sick, cause all I want today
Is to enjoy my bed, and fix my bad headache

I wanna go out but my bed is os good
Everybody hÃis a headache

Every once in a while
'Cause that's what you get in the next morning
'Cause that's what you get in the next morning
'Cause that's what you get in the next morning
'Cause that's what you get in the next morning

And all of this happiness is making me
Feel sick, cause all I want today
Is to enjoy my bed, and fix my bad headache
And all of this happiness is making me
Feel sick, cause all I want today
Is to enjoy my bed, and fix my bad headache
