If I lived in France
I'd look at lights again and again
I would sit on a bench
With a book in my hands
To learn how to speak a very good french

I'd walk around the block
I'd go to Champs- Elysees
And have a caf ©
That seems so clich © but that's not

Listening to Edith Piaf
Inside the Louvre
In company of worlds biggest minds

I'd go see the Notre Dame
I'd buy a Channel eau de Parfum
And Moulin Rouge
I'd be so amused and...

La tour Eiffel, L'amour, L'amour
La tour Eiffel, L'amour, L'amour
La tour Eiffel, L'amour, Lamour
La tour Eiffel, L'amor, L'amour

Un, deux, trois, let's have a fois gras
To dine in this place that's France
And I have never been
But that's a place to be seen

If I lived in France I'd sing this song
All over again
Only if I lived in France
If I lived in France I'd sing this song
All over again
Only if I lived in France...
