I would die for peanut butter
Come on y'all!

Go!
Are you ready?
Start the riot! Start the riot! Start the riot! Start the riot,
now!
Fight! War! Fire! Violence! Death! Police! TV!
Fuck you!
Start the riot! Start the riot! Start the riot! Start the riot,
now!
Start the riot!
Are you ready?
Get the fuck up!
Come on y'all!

Yakamo!
He's got the statue!
I'm going to be a human!
Fight! War! Fire! Violence! Death! Police! TV!
Fuck you!
Start the riot! Start the riot! Start the riot! Start the riot,
now!
Start the riot! Start the riot! Start the riot! Start the riot,
now!
Go!
Start the fucking riot!
Go!
Start the riot!
Come on y'all!
