naked fo em' babyyy

Verse one

{Wise Intelligent}

I bring the lessons from Allah as speach to teach

As I speak to the brothers that be lackin'

Butt-Naked Booty Bless

Some simply say it be hittin'

While the teachers teachin'

All the other crews will be clappin'

Give me the time drop the rhyme

{Culture Freedom}

On two

{Wise Intelligent}

The Poor Righteous Teachers are gonna have ta' come
teach

Either Culture Freedom on by

Standbye

Or either kick the scratch as the wise man speaks

Lesson number one so many brothers selling coke

But me know, I'm your brother who commence to drop

Educating tunes from a lesson of life

Built into a form hip style

Hip hop

No one could tell ya that Wise be the lacker

I study this style like I study my life

Takin da head of the snake that be snakin'

And building the brain cells of brothers my type

Gods get applause from the things we protest

Ya sexin' this style when this style is undressed

Culture one time for the mind

Drop the drawers

This is the what?!

{Culture Freedom}

BUTT-NAKED-BOOTY BLESS

{Instrumental break}

Verse two

{Wise Intelligent}

I da divine

{Culture Freedom}

And Cult

{Wise Intelligent}

Teachin' as we greetin' every god with peace

Stoppin' every snake that the posse might approach

and stampin' on his head

{Culture Freedom}

This kid be'es weak

{Wise Intelligent}

Lessons are the key to the style I drop

Hip hop

Not weak miscellaneous rhymes

Stop me nigga please

Back, back calm down

Culture tell em

{Culture Freedom}

Never sucker...No not this tiime!!

{Wise Intelligent}

Praises are due to Allah

Thats me

Wise Intelligent drop the God's technique

Who gives a damn if you stop my tribe

Steppin' thru the script and your crew don't speak

Give me the chance to ignite one thought

Just one it will teach every student in my presence

Wise Intelligent be the teacher I'm teachin'

Stop, look, and listen to the level of my lessons

Gods get applause from the things we protest

Ya sexin' this style when this style is undressed

Culture one time for the mind

Drop the drawers

This is the what?!

{Culture Freedom}

BUTT-NAKED-BOOTY BLESS

Verse three

{Wise Intelligent}

There's so many styles that the Wise must teach

Check the speach

As I drop to the level of your brain

Teachin' you the knowledge of yourself

"Like you're God"

Now some may look at me and state that I'm insane

Get wise If God's your creator

Tell me this, Tell me this

If he's your father by the mental eye sight

And like father like son it begun

The vision make the blackman grab his birthright
Teaching is the duty of a civilized man
Teach truth to the youth
That be thirstin' for the knowledge
Take that head of the snake
That mistake
The Wise be the brother that could wax or either polish
Teachin' what was taught to the king that sings
Droppin' mathematics as the Wise comes through
Represented by the Sun, Seven, Moon and Star
And this is a taste of the PRT crew
Gods get applause from the things we protest
Ya sexin' this style when this style is undressed
Culture one time for the mind
Drop the cause
This is the what?!
{Culture Freedom}
BUTT-NAKED-BOOTY BLESS

Verse four
{Wise Intelligent}
Stand back I attack
That weak new jack
That lacks must I mentally beat him
Poor Righteous Teachers teach to the weak
So I takes his weak, wack crew and teach them
Butt-naked booty style make it wild says the crowd
So drop Hip-Hop by the ounces
So loud as I teach this crowd, as I teach ya
and control that body as it bounces
Let me think should I stay meditate
Sink most deep into the crescent of your soul
Assume to accomplish techniques speak
this is from the Father who promise gold
Shakiyla my queen is my queen
This means this queen
submitting to the G-O-D
One G said "God not a mystery, God but Allah"
And Allah says "God be'es me"
Gods get applause from the things we protest
Ya sexin' this style when this style is undressed
Culture one time for the mind
Drop the cause
This is the what?!
