Lyin here in my bed, missing you
Walking through the halls I'm running just to catch you
But I stop cause I see you with a girl and it's not me

What about me? (x2)

I miss you, I need you, baby hold me tight
I miss you, I need you, can't do this without you
I miss you, I need you, this hurts sooo bad, I miss you

Now I'm trying not to cry, but the tears are falling
Cant' stand the site of you with someone other than me
But it's no use, I can't get through to you, so just let me
say one thing

I love you(x2)

I miss you, I need you, baby hold me tight
I miss you, I need you, can't do this without you
I miss you, I need you, this hurts sooo bad, I miss you

I miss you (x3)
Baby I miss You.
