Stare inside you, pick apart your soul  
Strip away the excess, reveal to us the truth  
A worm not a man, you target the defenceless  
Fracture the feeble, make their dignity your trophy

Black Heart, this is our time  
Black Heart, You repent tonight

Justice rides tonight, one hundred sets of teeth await  
you  
It's your turn to see hell boy  
Let's see how tough you look  
When you're fed feet first to the wolves

Black Heart, this is our time  
Black Heart, you repent tonight  
Black Heart, the blood of integrity flows  
Black Heart, this is the end of you

Pathetic little man, invalid, racist piece of shit  
Your murders, rapes, throes of abuse  
Can't save you now  
Thief of innocence, tonight we reclaim  
That stolen in malice

Dissect the deceiver; dine on your black heart (x2)

For all those souls you sent to unrest  
Your deconstruction will bid them sleep  
For all those lives you shattered in spite  
We will

Stare inside you, pick apart your soul  
Strip away the excess, reveal to us the truth  
A worm not a man, you target the defenceless  
Fracture the feeble, make their dignity your trophy

Black Heart, this is our time  
Black Heart, we repent tonight

Black Heart, the blood of integrity

Black Heart, this is the end of you  
Black Heart, Black Heart, Black Heart,  
Black Heart
