I adore the things you disapprove
In this kind of war, we can only fight and lose
I'll sabotage your highest expectations...
For the very first time, I'll give no
Explanations

True love, true hate
Things change on the way
True love, true hate
Jealousy leads to pain
I am thirsty for the life you criticize
You hide the truth, inside your hungry eyes...
I have no plans for reconciliation
I'm done with words, let's end this
Conversation...

True love, true hate
Things change on the way
True love, true hate
Jealousy leads to pain
True love leads to pain...
True love leads to pain...
