money talks to me, are you listening to? it tells me who to be and it comfort me when nothing's true

failing away, it chokes yu! it chokes me!

money talks to me, it can buy me love it gives me the key to open doors that over were closed money is your savior it feeds your fantasy money can corrupt you but that's what you need

don't think of tomorrow, spend today after all this life is just a game so keep rotting your bones nothig else matters as cash burns

failing away, it chokes yu! it chokes me! let me see your face, let me see your face...

don't think of tomorrow, spend today after all this life is just a game so keep rotting your bones nothig else matters as cash burns

and as money talks and the bullshit walks it brings smiles today again you are what eat you up, you're happy again

money is your savior it feeds your fantasy money can corrupt you but that's what you need
