[Too \$hort]  
I got that old game, but I don't need Viagra  
Spit a few lines in no time I'll have ya  
If I don't, I find a new bitch  
And if you tryin to get back it's useless  
I can't do shit, unless you pay me  
I been breakin in hoes since the 80's  
Ain't nuttin changed, it's still a pimp thang  
And if you ain't wit it, you must be insane

[Chyna]  
Yeah you might talk like a pimp, walk with a limp  
but look - you bout old as the game  
Short Dawg shit is all in your name  
and fuck dick, cause it all be the same  
Shit, I be the one to get in your brain  
to make you know you ain't shit  
You got a Benz, I got a Jag, so what?  
You got hoes, I got niggaz to cut  
And I treat 'em like prostitutes and sluts  
Take it from Chyna; niggaz ain't shit but dick and nuts

[Too \$hort]  
Yeah baby.. I always respect the game  
That's why bitches, always let me hit that thang  
I hit it good, I hardly ever keep in touch  
Top notches, it's hard to believe I fuck  
but I did it, every time I see her I get it  
I know you heard Short Dawg got digits

Don't forget it, I'm all about the pimp shit  
I ain't no sucker with a limp dick

[Chyna]

Fuck the dumb shit, niggaz they come quick  
9th Ward bitches always get they cunt licked  
You know the game, if you get a hoe it's probably from  
the fame  
Ugly niggaz pretty bitches you know the aim  
I got niggaz with my name tatted on they chest  
And I don't give a fuck about another bitch cuz I'm the  
best  
Picture Chyna long mink in a stretch  
Back to back with a Lex, lettin off teecs, ya heard me?

Chorus: Too \$hort + Chyna White

[\$hort] It ain't the same, shit done changed  
New Orleans bitches live against the grain  
Oakland niggaz we be off the chain  
Chyna White and Too \$hort play the game, whatchu

[White] It ain't the same baby, shit done changed baby  
What what game recognize game baby  
What what all my thugs let 'em hang baby  
Chyna White and Too Sheezy off the chain baby (ya

[Too \$hort]

It's a quarter to 3, whatchu gon' do shorty?  
Choose on a player or roll with a square

I wish I could get you outside in my truck  
Put my hang between your legs maybe then I'll fuck  
You know whassup, I'ma see you next time  
droppin sex lines, so I can fuck one time

[Chyna]

Nigga how many times you done seen "The Mack?"  
How many times you gon' think with your sac  
then talk with your genitals?  
I run with strictly criminals  
Top notch bitches, in drop top sixes  
I'm from New Orleans, where bitches put shit in your  
greens  
Bury your drawers, shatter your dreams, make you  
stop eatin  
cabbage and beans, dolla dolla what them know bout  
the cream  
And fuck the worl cause it ain't what it seems (ya

heard?)

Chorus Two: Chyna White

It ain't the same baby, shit done changed baby  
New Orleans bitches live against the grain baby  
Oakland niggaz baby off the chain baby  
Chyna White and Too \$hort play the game baby  
It ain't the same baby, shit done changed baby  
What what game recognize game baby  
What what all my thugs let 'em hang baby  
Chyna White and Too Sheezy off the chain baby

[Too \$hort]

You know us Oakland niggaz still pimp to this day  
Still wear perms with big old waves  
Three or four hoes in a mini-van  
Ridin round tryin to get all I can  
When you see "The Mack," you see my town  
If hoes get money we'll be around  
Talkin that punk bitch out her chips  
Please believe me, don't doubt the shit  
I'm still pimpin.. let it ride
