Song: Mandy Moore & Jonathan Foreman

Ninety miles outside Chicago  
Can't stop driving  
I don't know why  
So many questions  
I need an answer  
Two years and later  
You're still on my mind

Whatever happened to Amelia Earhart?  
Who holds the stars up in the sky?  
Is true love just once in a lifetime?  
Did the captain of the Titanic cry?  
Ohhh.....

Someday we'll know  
If love can move a mountain  
Someday we'll know  
Why the sky is blue  
Someday we'll know  
Why I wasn't meant for you

Does anybody know the way to Atlantis?  
Or what the wind says when she cries?  
I'm speeding by the place that I met you  
For the ninety-seventh time tonight

Someday we'll know  
If love can move a mountain  
Someday we'll know  
Why the sky is blue  
Someday we'll know  
Why I wasn't meant for you

Yeah, yeah, yeah, yeah

Someday we'll know  
Why Samson loved Delilah  
One day I'll go  
Dancing on the moon

Someday you'll know  
That I was the one for you

I bought a ticket to the end of the rainbow  
Watched the stars crash in the sea  
If I could ask God one question (one  
question...question)  
Why aren't you here with me tonight?

Someday we'll know  
If love can move a mountain  
Someday we'll know  
Why the sky is blue  
Someday we'll know  
Why I wasn't meant for you

Yeah, yeah, yeah, yeah

Someday we'll know  
Why Samson loved Delilah  
One day I'll go  
Dancing on the moon Someday you'll know That I was  
the one for you
