[A-Wax]

Smokin' weed, yeah

Sellin' D, ugh

65 G'z in a silver Jordan briefcase

I'm doin' this here for all my dogs without release  
dates

Pull hoes in three states

Young B-I reps P-I-M-P M-C

Lookin' like she wanna say "Pimp Me"

Wanna pay for the Bentley?

Say this rappin' thang'll happen

But you still keep it crackin'

With them bitches on they backs and on they knees

Checkin' traps

Countin' G'z in a telly

Blowin' California dank smoke right

With H-I belly

Dog they eat the bananas

Me and mines sweep the streets with bananas and split

Cuz I ain't on that amateur shit

Bitch, Bitch, Bitch!
