Oh, oh, yeah, yeah

First lonely night  
What will I do  
I feel my heart breaking in two  
I'm such a fool when will I learn  
I fell so deep  
Then I got burned , burned

1 - If you gave just one reason why  
My heart just might let go  
Maybe one day I will fall in love again  
But for now I'll just leave my heart in two

2 - If I never fall in love again  
If I never touch your skin again  
If I never feel again this way  
If I never see another day  
Remember me  
Remember this  
'Cause one thing that will never change  
Is the feeling in my heart  
So broken by you

Love still remains, after you're gone  
Girl please explain where did I go wrong

Repeat 1

Repeat 2

Hmph, this medley reminds me of you  
La, la, la  
I cant let go

If you gave just one reason why  
My heart just might let go  
Maybe one day I will fall in love again  
Maybe one day I will fall in love again  
Maybe one day I will fall in love again

No, never fall in love again  
Never pass this way again  
Never, never, never  
Wont fall in love again  
Never fall in love again  
Never pass this way again  
Never, never, never  
Wont fall in love again

Never had my heart broken by you  
I'll just leave my heart in two
