Shame you ran away from me

Shame for two timing on me

Shame you started fooling around

I said: woh woh woh woh woh woh oh.

I said you

you never held it right

You go\it all wrong and we started to fight

You

you put the blame on me

I said: woh woh woh woh woh woh woh oh.

She was a first class ticket to ride

Went off the rails love started to slide.

Slippin' and a slidin' all over the track

Pushed me to the limit

now she can't go back.

No

I won't take no more

I got your hat and I'll show you to the door.

You better leave cause I can't take no more

I said: woh woh woh woh woh woh woh oh.

I said you

you never held it right

Got it all wrong but you think you got it right

You are all trouble and woe

I said: woh woh woh woh woh woh woh oh.

Sweet little raver had a ticket to ride

Took me on a half way I was burning inside.

She should touch me like no one else can

This sweet little raver hit me right in the hand.

Shame it had to happen this way

Shame for all the things you had to say

Shame for letting me go

I said: woh woh woh woh woh woh woh oh.
Shame you ran away from me

Shame for two timing on me

Shame you started fooling around

I said: woh woh woh woh woh woh woh oh.
I said: you
you never handled it right
You got it all wrong and we started fo fight.
You
you put the blame on me
I said: woh woh woh woh woh woh woh oh.

I said you
you never handled it right
