From album "More than life"

Lonely nights have come and gone  
But it's hurting more this time  
From the moment I sent you away  
I knew I would pay for the crime  
You used to be my everything  
Always made me feel so high  
Maybe I was afraid of love  
Or maybe I just didn't try  
Sometimes it takes a little bit longer  
To search your heart  
For the right thing to do  
I can't go on  
Pretending I'm stronger  
So help me girl  
Find my way back to you

Chorus

I'm no good on my own  
Don't ever want to be alone  
And I wish you knew  
I'm lost without your love  
Oh the feelings I can't hide  
Got me crying deep inside  
And I wish you knew  
I'm lost without your love

Never had an alibi  
There was nothing black or white  
If I could do it all over again  
Oh baby I'd hold on tight  
Cause true love is like a coin in the ocean  
It comes around maybe once in your life  
I felt the touch of another emotion  
But this time baby it cuts like a knife

Chorus

Sometimes it takes a little bit longer  
To search your heart

For the right thing to do  
I can't go on  
Pretending I'm stronger  
So help me girl  
Find my way back to you

Chorus
