I would climb up an endless mountain for Your love.
I would crawl across the mighty desert for Your love.
You set the world in motion.
You made the stars and oceans,
And everything that breathes, yeah.
You cause the sky to thunder,
And fill the world with wonder;
And that amazes me, oh...
That You would plan all my days eternally;
Long before I was born, You dreamt of me
If it werent for Your company,
Then where would I be? Yeah...
I would climb up an endless mountain for Your love.
(Ooh)
I would crawl across the mighty desert for Your love.
(Mmm)
No one else could know me,
No one else could hold me
The way You do, oh...
You fill my life with passion,
And I cannot imagine
A world without You, yeah.
Looking down on the ground from up above,
Can You feel my devotion and my love?
If I could spend every day with You,
It wouldn't be enough.
I would climb up an endless mountain for Your love.
I would crawl across the mighty desert for Your love.
(Oh, yeay)
Hey, ooh...
My love (my love)...I give it all to You.
My love (my love)...I give it all to You...oh, yeah, yeah.
I would climb up an endless mountain for Your love.
(Oh, for Your love)
I would crawl across the mighty desert for Your love.
(Oh, You, oh You know, You know)
I would climb up an endless mountain for Your love.
(Hey, yeah)
I would crawl across the mighty desert for Your love.
(Ooh)
I would climb up an endless mountain for Your love....
