What would you say if I told you
About a love too good to be real?
Would you reply that
You've heard it a million times?

Oh, you throw up your hands never understand
Turn and walk away, cry another tear
I know where you're coming from
I was searchin' for the road that would lead me home

Where I'm free
Free to believe what is real to me
Free, free to believe that He lives in me
La la la, la la la, free

How would you feel if love fell in your arms
With the tenderness of a child?
Would you be able to finally
Open your eyes?

A love so strong, it never begs, never borrows
Never steals from anyone
Even if I bend, even if I sway, even if I lose my way
I will always come home

Where I'm free
Free to believe what is real to me
Free, free to believe that He lives in me
La la la, la la la
La la la, la

Free to love, free to dance
Free to live your life with open hands
That reach for the way closer to the edge
You hear the music play awakin'
All that once was slumberin's alive again

'Cause I'm free
Free to believe what is real to me
Free, free to believe that He lives in me
La la la, la la la

Free
Free to believe what is real to me
Free, free to believe that He lives in me
Free, yeah
La la la, la la la, la

Even if I bet, even if I swear
Even if I lose, yeah
