We beg to borrow,
We beg to steal.
We beg forgiveness,
We beg to feel.
We beg for love,
I guess we beg for hate.
We beg for everything
And pray its not too late.

What everybodys tryna feel,
I guess were tryna heal.
Everybodys got to kneel,
No way to reinvent the wheel.
Everybodys got to
Stand up on their feet.
Everybody needs a dream
When the spirit gets too weak.

So when your spirit gets too weak,
When the water seems too deep,
When you think theres just no way,
Ill be there for you night and day.

When the mountain seems too steep,
When your spirit gets too weak,
When you think theres just no way,
Ill be there for you night and day

We beg for happiness,
We beg for tears.
We beg for courage
Just to overcome our fears.

We beg to rise above,
And hope we never fall.
We beg for everything
And pray He hears our call.

What everybodys tryna feel,
I guess were tryna heal.
Everybodys got to kneel,

No way to reinvent the wheel.
Everybodys got to
Stand up on their feet.
Gotta be there for your brother
When the spirit gets too weak.

So when your spirit gets too weak,
When the water seems too deep,
When you think theres just no way,
Ill be there for you night and day.

When the mountain seems too steep,
When your spirit gets too weak,
When you think theres just no way,
Ill be there for you night and day.

Although the road is rough,
And sometimes you feel
Like it aint enough;
Well be there for each other --
Well find the way!

So, when your spirit gets too weak,
When the water seems too deep,
When you think theres just no way,
I'll be there for you night and day
