If I could save you boy I'd do it a thousand times over
And finally someday it seems that I meant you well

But I'm not answering the door
We've been this way even more

Time won't be cruel if you let it go this way

And holding on
Holding on
Holding on
There's something inside

Close to me
Don't slip away
You've been my whole life

But I'm not answering the door
She's leaving inside even more

Time won't be cruel if you let it go
It's way
I'm letting it today

And don't
Damn me
Down
Falling like leaves when they're trading some piece of
sky for the ground
It catches so well after waiting
So long
But

If I could save you boy I'd do it a thousand
Thousand times and maybe in time you would see I've
made up my mind

But I'm not answering the door
She's leaving inside even more
I'm not answering the door 'cause she's leaving inside
even more

And if I could save you I'd do it a thousand times
