I can't talk to you
You think i'm lost inside my mind
You're like an old tatoo
And I know you'll fade in time

I'm not the girl you think you know
I'm not the girl you waited for
I'm not the one for you
It's just one thing left to do

Why don't you let me be
Cuz I'm a million miles away
Why don't you set me free
Cuz you don't treat me like you said

I won't tuck you in one last time
I'm taking back what is mine
for me
I belong to me, yeah

I'm going faster
You're going backwards
you're going to miss me when I'm gone
I hang from the ceiling
I feel what I'm feeling
Should've been feeling it all along

I'm going faster
I'm going faster

That's the last black eye
I hope I ever give to you
Yeah, I had a good time
But what's a girl supposed to do

Take the pictures off the wall
They don't look like us at all
They don't look like friends
I've got new things to begin

Why don't you let me be
Cuz I'm a million miles away

Why don't you set me free
I belong to me

I'm going faster
You're going backwards
you're going to miss me when I'm gone
I hang from the ceiling
I feel what I'm feeling
Should've been feeling it all along

I'm going faster
I'm going faster

Da da da da da da da
da da da da da da da
da da da da da da da
da da da da da da da

I'm going faster
You're going backwards
you're going to miss me when I'm gone
I hang from the ceiling
I feel what I'm feeling
Should've been feeling it all along

I'm going faster
I'm going faster
