Has anybody shared our bed yet?  
Was it heavy? Was it hard?  
Checked the time on the clock I used to set  
On the jacket that I bought  
Just for you when I was on the road  
To remind you that I didn't forget  
All the things that I shared with you  
Has anybody done that yet?

Has anybody found the red shoes?  
Have they found my cigarettes?  
Have you gone back to the restaurant  
That we'd go when we first met?  
And are you starting to make promises?  
Have you started taking bets  
That it's better on the next round?  
Has anybody done that yet?

Has it happened yet?  
I am readying myself for a change  
Has it happened yet?  
I am trying to start again  
Has it happened yet?  
Is she living with all was mine?  
If it hasn't happened yet  
It will in time

I've got bad news for my heart  
When two lives are torn apart  
There is nothing you can claim  
And no matter how you wish it  
Nothing will ever be the same

Has anybody found the way to you?  
Does anyone know what you need?

Does anyone remind you  
The way we used to be?  
And are you starting to make promises  
That you made to me?  
Has anybody found the secret?  
Has anybody done that yet?

Has it happened yet?  
I am readying myself for a change  
Has it happened yet?  
I am trying to start again  
Has it happened yet?  
Is she living with all was mine?  
If it hasn't happened yet  
It will in time  
It will in time  
Has it happened yet...?
